Material Safety Data Sheet (MSDS)

Samples Name: Swab

Model No.: CY-96000 / IZ-01

Batch No.: 2020051003

Client Name: Huachenyang (Shenzhen) Technology Co.,Ltd.

Client Address: 8F/4 Bldg, Hengchangrong High Tech Industrial Park, No.128 East Road, Shangnan,
Shajing Street, Baoan District, Shenzhen, 518125, China.

Signed for and on Behalf of TDT

Li.zhang / Technical Manager
Shenzhen TDT Technology Co., Ltd.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.

Material Safety Data Sheet

Section 1 - Chemical Product and Company Identification

Product Name: Swab

Trade Name: \

Manufacture: \

Supplier: \

Tel: +86(0)755-27393226

Fax: +86(0)755-27381080

Email: \

Post code: \

Contact person: \

Country of Origin: \

Export to: Global

Sample Nature: \

Chemical uses: \

Section 2 - Hazards Identification

Fatalness grade: In accordance with Regulation (EC)No.1272/2008, the sample is divided into flammable article.

Invasion route: Skin contact: None.

Eye contact: May cause eye irritation.

Inhalation: None.

Ingestion: May cause body discomfort.

Health hazards: No harm to human body.

Environment hazards: No known significant effects or critical hazards.

Burn & burst danger: The sample is flammable.

Section 3 -Composition/Information on Ingredient

Pure ☐

Admixture ☐

Composition:

Chemical Name	In % By Weight	CAS No.	EC No.
Flock	100	32131-17-2	\

Note: CAS No.: Chemical Abstract Service Registry Number.

EC No.: European Inventory of Existing Commercial chemical Substances Number.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.

Section 4 - First Aid Measures

Skin contact: No data available.

Eyes contact: Lift eyelids and rinse with running water or normal saline.

Inhalation: No data available.

Ingestion: See the doctor.

Section 5 - Fire Fighting Measures

Suitable extinguishing medium: Extinguish with water mist, alcohol - resistant foam, dry powder or carbon dioxide.

Improper extinguishing medium: No known information.

Hazardous combustion products: CO, CO₂, smoke.

Fire-Fighting method & media: Wear self-contained breathing apparatus for firefighting if necessary.

Section 6 -Accidental Release Measures

Personnel protection measures, protective equipment and emergency disposal procedures: For personal protection see section 8.

Leak: No data available.

Section 7 - Handling and Storage

Handling: No smoking. Take measures to prevent the build up of electrostatic charge. Prevent contacting with alkali and acid. Equip with relevant types and quantities of the extinguishment instruments and devices for divulgence handling.

Storage: Keep the sample in the dry and well-ventilated place. Keep away from fire and heating sources. Keep separately from alkali and acid, no mixing storage. Equip with relevant types and quantities of the extinguishment instruments.

Section 8 - Exposure Controls and Personal Protection

Appropriate technical controls: No data available.

Respiratory Protection: No data available.

Eyes Protection: No data available.

Body Protection: No data available.

Hands Protection: No data available.

Other Protections: No smoking, dining and drinking water in the workplace. Keep good habit of hygiene.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.

Page 4 of 6

Section 9 - Physical and Chemical Properties

Appearance: Solid.

Color: White.

Smell: No smell.

Solubility: Insoluble in water.

Section 10 - Stability and Reactivity

Stability: Stable under normal temperature and pressure

Distribution of Ban: Strong alkali, acid.

Conditions to Avoid: Heat, flames and sparks.

Hazardous Polymerization: No data.

Hazardous Decomposition Products: Hazardous decomposition products formed under fire conditions, carbonic oxide, carbon dioxide.

Section 11 - Toxicological Information

Acute Toxicity: No known significant effects or critical hazards.

Sub-acute and Chronic Toxicity: No known significant effects or critical hazards.

Irritation: No known significant effects or critical hazards.

Sensitization: No known significant effects or critical hazards.

Mutagenicity: No known significant effects or critical hazards.

Carcinogenicity: No known significant effects or critical hazards.

Section 12 - Ecological Information

Eco-toxicity: No known significant effects or critical hazards.

Biodegradable: No known significant effects or critical hazards.

Non-biodegradable: No known significant effects or critical hazards.

Bioconcentration or biological accumulation: No known significant effects or critical hazards.

Other harmful effects: None.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.

Section 13 - Disposal Considerations

Nature of waste: Harmless waste.

Waste disposal methods: Dispose of the remaining and non-recyclable solutions to licensed companies.

Attention abandoned: None.

Section 14 - Transport Information

Category of dangerous goods: No specific data.

UN Number: No specific data.

Packaging Mark: No specific data.

Packaging Method: No specific data.

Packing: 1pcs

Type of Transportation: By air, by sea.

Transport Attentions: Examine whether the package of the containers are integrate or not before transport. No precipitation or no damage during the course of transportation. Don't put the goods together with strong alkali and strong acid. The transport vehicle and ship must be cleaned and sterilized otherwise it is not allowed to assemble articles. During transport, the vehicle should prevent exposure, rain and high temperature. For stopovers, the vehicle should be away from fire and heat sources. When transported by sea, the assemble place should keep away from bedroom and kitchen, and isolated from the engine room, power and fire source.

Section 15 - Regulatory Information

Safety, health and environmental regulations/legislation specific for the substance or mixture: This safety datasheet complies with the requirements of Regulation (EC) No. 1907/2006.

Chemical safety assessment: For this product a chemical safety assessment was not carried out.

Section 16 - Additional Information

On the basis of based on the data of the above information is correct, because this information could be used in situations where we have no control over, or has been changed, and we disclaim all responsibility for this. This information is configured if the recipient decides to have a proprietary purpose for the material.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless other wise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.
